## Shave the day

Having shaved my twat on holiday, my bald snatch got spotted by Carl, lounging by the pool.

I said yes to a date and we ended up in my room.

Carl was so desperate to get his hands on my snatch! I didn't blame him – anytime I was alone and naked I'd find my hand straying to my silky-smooth lips!

Carl kept squeezing and rolling them together round my clit, then he enjoyed a leisurely wank as he got me to pose so he could look at it from all angles.

"So, you gonna fuck it or just look at it?" I asked him, which sort of snapped him out of his trance.

He didn't enter me for ages, just spanked and rubbed himself against my pale-pink lips. Then he probed for my hole and sunk into its wet depths. I arched myself

tickle my clit, and had me cumming, clenching even tighter around him.

I wasn't surprised when he asked if he could pull out and spunk on me – and a

slightly back, hands on my calves, to give him the best view as he fucked up into me.

After a while, though, I began to ride him properly. My shaven pussy felt even more sensitive than usual, rubbing against his hairy crotch and balls and banging against him.

He crooked a finger to

few seconds later, he was wanking his juice-coated prick and icing my little pink folds with his load.

Carl watched me play with myself, rubbing his jizz in, before we geared up for another go.

My shaved pussy certainly brought me sex luck!

## Big movie part

Recently my husband Keith went on a stag weekend to Amsterdam. I didn't mind him going and having a laugh, as long as he didn't screw around on me. I'm not a prude, just a bit jealous over him!

This meant he got back from two days of watching porn and sex shows, and hadn't even managed a quick wank in the bog to relieve the tension. I'd told him to save it all up for me, and his bollocks were like big blue grapefruits – that's how he put it, anyway! I knew I was in for a long night.

He had a few presents for me – the usual duty free, plus this porn DVD he'd "borrowed" from one of the boys. When they'd been watching it he'd noticed one

**Bella,  
Staffs**

of the girls in it was a dead ringer for me. He'd kept quiet about it, but of course the others who knew me noticed too. But they had a point – even I thought she could be

told him we'd have to sixty-nine, me on top facing the TV, and he agreed. He'd seen it a few times already, and if he got to eat my cunt, fair enough.

I thought he was about to jizz, but as I took him in my mouth, he started fucking it and the fist I had wrapped around his length.

My lookalike was a dirty little bitch. She was wanking this one bloke as another, brunette girl sucked off a big-cocked stud. The two men spunked all over the brunette's tits, and immediately my girl started rubbing her face in their mess. She was completely slathered with cream, grinning into the camera, then one of the

blokes got the brunette to go down on her.

Each lick, each moan sent a little shock of pleasure through my own snatch, added to what Keith was

doing with his fingers and tongue. Both girls looked like they knew their stuff – my twin was playing with the cameraman's cock now, as the brunette carried on sucking. Before I knew it, I was cumming.

I kept on watching. As her girlfriend licked her from behind, the porn me got on all fours, lapping at her stud's balls. I started to focus on Keith's balls, reminding him of that scene. I was pacing myself for the cumshot, which

**I collected his cum  
then gulped it down  
in one salty load**

my identical twin. "Sorry," I said to Keith, telling him I didn't actually lead a secret life as a porn queen!

We decided to watch it all the way through, as an extra turn-on. We lay next to each other on the bed, me giving Keith's cock a slow wank. Then he started stroking my hair – my signal to start moving down. I wanted to keep watching, so I rested my head on his belly, and started teasing his helmet with my lips.

On screen, my "twin" was also gobbling her bloke, although a bit more flashily. She was giving it loads of tongue and wiping him over her face, while I just stuck to sucking – which seemed to work fine.

As he got hornier, he started pushing harder on my head, wanting me to take him deeper – how the fuck his nuts hadn't already exploded in my face I don't know. But I didn't want to miss "my" porn flick through being face-down in his crotch. I

happened sooner than I expected, so Keith was still a bit short of the mark.

I carried on watching as the blonde took a load in her mouth, opening wide so the camera could capture it shooting in.

Now I moved my pussy out of Keith's face, and went back to sucking him with my head on his belly. I rewound the cum shot, blowing him firm and fast as he watched the action, and somehow we both managed to time it so he spunked just a second after the guy on screen. I let his cum collect in my mouth, then gulped it down in one salty lot.

Sometimes, if we feel like giving our fucking an extra boost, we'll watch that DVD. Keith keeps telling me maybe it's a sign – that I should think of getting a career in porn, but I'm happy just to watch. Still, I agreed to tell you about it when he asked, so maybe he'll manage to persuade me in the end!

# BOLD MEDAL SINNERS!

Our unique celebration of (or transparent cash-in on) London's hosting of the Olympic Games kicked off at snazzy gentlemen's club Platinum Lace. Ladies under starter's whore-ders included *Escort* stars Chloe Lovette (left), Kacie James, Jaye and Roxy. Team PRP exhausted themselves (and lucky readers!) in a marathon of cocktails and cock-grabbing sponsored by Annabelle's Promise, Your Choice and iPure Films that ended in the wee hours.

Party

### Dear Julia

I got soaked at the Jubilee weekend – and I don't mean by the rain! At my local street party, I flashed my 38F cups and got a right royal fucking on a trestle table next to the sausage rolls! God save the Queen!

Keighleigh, Kent.

**Julia says:** The Soho street party I went to was totally debauched too! Seems like everyone was at it that long week-end. Maybe that's why the Queen couldn't sit down on that boat for eight hours.

## DEAR JULIA

### Dear Julia

I have just finished reading *Escort* vol 32 no 5! The quality astounds me! *Escort* is the best magazine in the world! First up, you have the gorgeous Natasha from Lincs, posing with a dildo (by the way, when will she be the star wife?), then you have the beautiful Susie from Ipswich, owner of the best tits I think I have ever seen, and finally, Pamela from Wales flashing! Wow! She is stunning! That perfect succulent pussy, those amazing tits and that cheeky smile! Well, that's all. Keep it up... I know I will!

Michael, Carlisle.

Nat and her nellies

### Dear Julia

I love your magazine but I have a complaint. There aren't any beautiful black British ladies. Let's see more black and Asian talent please!

Tony, Shrops.

Fuckin' Elle!

**Julia says:** You must have missed this cracker last month, Tony!

## ALL BRA NONE!

My boobs may cause a stir amongst the lads in the office – this book of boobs from the golden age of the 50s, 60s and 70s (when those curves were always real) transformed them into drooling simpletons. This slender volume, overflowing with the most well-endowed women of the 20th century, from Jane Russell to Christy Canyon, should be on every funbag-fancying man's wish list. # SWINGERS' DINNERS

Mark's Bar @ HIX  
London W1

**Julia Jones enjoys a brewer's treat on Brewer Street in sleazy Soho**

**"T**har she blows!" When one of the lads made a comment about the size of my arse as I reached for a packet of HobNobs while penning last month's column, I decided that I should forego stuffing my face for once and recommence the Soho diet.

Ah, those West End long lunches, when the refrain "Eating is cheating" rang out from colleagues if you dared to look at a packet of cheese and onion crisps across the bar, and the only acceptable thing to put in your mouth was booze, a cigarette or a co-worker's tongue. Publishing has

a wonderful sexy haze. Everyone's brave enough to show their nipples after a few tipples. I'm a lot more sensible now. Honest.

Soho's changed too. Brewer Street, the main artery of straight, porno Soho is unclogged by video shops and peep shows. The area's devil-may-care, hard-drinking vibe lives on though. Mark's Bar, downstairs from HIX (a seasonal British restaurant) is a subterranean speakeasy with low zinc bar, comfy Chesterfields and weird-looking bottles of brightly-coloured fluid – think part gentleman's club, part Victorian chemist.

The bar's old-school drinks list predated even my salad days getting squiffy round here.

I kicked off with a pint of Oyster Ale – dark, chocolatey,

always been a drunkard's industry, and porn publishers are the crack troops in a war on hepatic health.

PRP was the wettest house in an environment saturated in alcohol. The old man himself used to prop up the champagne bar at Kettners, alternating bubbly with brandy. That attitude to boozing trickled down, a Paul Raymond do rarely unblessed by spectacle-

malty and served in an ice-cold pewter tankard, I felt I'd been transported back to the eighteenth century, just without the lead poisoning.

I've been on shoots where the photographer was so sloshed he ran away from the 21-girl shoot I'd organised for *Escort's* 21st birthday.

Girls loved getting drunk before, during and after shoots. All those petty jealousies on multi-girl shoots dissolved in

Moving forward in time, I partook of an a couple of 1930s cocktails – a far too quaffable gin, apricot brandy and cider number called a Golden Eagle, followed by a Hanky Panky, then eased myself into nap mood with an 'Oxford Nightcap', a port infused with roasted orange.

Food, including quail's egg shooters, was good but this lunchtime was all about the booze – just like it always should be.

# REAL WIFE SEX

Katie,  
Barnsley

**She's all up for shagging, but boob-obsessed Sam prefers to hump Katie's lumps**

**Y**ou're a tit man, I expect. I mean, you're reading this magazine aren't you, and the pages are always adorned with some pretty fine funbags.

I'm certainly a tit man and proud of it – and that's why I fell in lust with Katie. She stands at about five-eight tall and she's got real, old-fashioned curves on her, not to mention long blonde hair and a few tattoos that make her look like a sexy hellcat. But of course, the main thing I noticed about her was her massive tits. Plus, her tarty dress sense, which made them even more obvious – all low-cut tops and push-up bras.

The trouble was, she didn't seem to walk it like she talked it. The night we met, I spent half a day's wages on drinks and all I got from it was her number, not even a kiss. Even after a few dates, first

base was all I managed.

Just as I was thinking she wasn't interested, I got a call from her to say her flatmate was away for the weekend so she'd have the place to herself. And did I fancy coming over?

I asked her what for – and she said to fuck, which made me take a

step back. I asked whether this was just another wind-up. She said no – she liked to tease because it turned her on to get a bloke all hot and bothered. But she wasn't into hump-and-dump merchants. If I wanted a go at the goods, I'd better be in it for the long haul. I told her I'd was hers till she turfed me out.

My jaw hit the doorstep when she let me in. She was wearing a short denim skirt and a beige cotton blouse. The buttons on the blouse were undone and

my eyes were glued to her cleavage while we had a drink. She was back in tarty mode, idly playing with her boobs. But as I saw her nipples stiffen up under her fingers, my cock was swelling.

Then she opened her blouse even more to show a black half-cup bra – one quick jiggle and her boobs were spilling out of it. I went over and grabbed her glass of vodka, taking out an ice cube

She was naked, squirming around, smearing pussy juice all over them, then raising her nipples up to her mouth to lick them clean.

I'm surprised I didn't just lose my mess all over her, but then she just spread her thighs and said she wanted fucking – playing with her boobs had got her cunt throbbing again.

I got in position, kneeling up between

her legs. Fucking her missionary style meant I could have more fun with her tits – see if I could get her cumming again when I sucked on them.

She had a beautiful tight cunt, all wet and slippery, but my heart wasn't in shagging it at right this moment. A few hard thrusts and I pulled out, telling her I needed to fuck her big balloon tits before I could do anything else.

# JUG ADDICT GETS A FIX

which I played around one of her teats. Then I sucked on it, teasing the fleshy nub, while I gave her other one the ice treatment.

She was gasping and whimpering – so loud I thought she must be faking. But one glance at her face and I knew it was for real. I kept sucking on them, nuzzling between them. I was in tit heaven, grabbing them and just moulding them around my face like firm dough, wishing I didn't have to breathe.

Sensitive though her nipples were, she seemed to like me getting a bit rough

## The tit-sucking doubled the orgasmic effect

with them, squeezing hard and raking them with my stubble.

Now I realised why she hadn't let me near them before – one touch and she was a mess. No wonder she needed to keep things private: she couldn't trust herself in public!

Sucking a nipple, I put my hand on her thigh, waiting for her to slap it away. When that didn't happen, I felt my way up to her pussy. Soon I had my hand inside her knickers, two fingers in her thumbing her clit. The tit-sucking just seemed to double the orgasmic effect this had on her. It only took a minute or so before I felt her pussy clamp and then climax around my fingers.

Now it was my turn – I was already rock hard, but I wanted to string this out. I got Katie to lie on the rug, playing with her boobs so I could wank as I watched.

There were three causes for celebration in the air at this shoot. We were toasting Katie K's birthday; she was making merry at bagging a role in bed with Steve Coogan and Anna Friel in the upcoming Paul Raymond biopic; and we were just happy to see the little minx rubbing her boobs and flicking her clit after a year-long break from our pages while she went off to break America. "I can never resist an *Escort* shoot though – it's such horny fun!" she tittered.

## Diff'rent strokes

As a beautician and masseuse at a small beauty spa, I get to test out treatments on family and friends.

The other week I had to test a new range of aromatherapy oils, and my mate Rhiannon

was the obvious choice. I had a few blends, stuff like stress-busters and energy boosters, but she asked could we give the aphrodisiac one a go – she had a hot date with her bloke later on, so we could really give it a test run.

To be honest, we weren't hoping for much – like,

how horny can a perfume actually get you? But we were surprised – the oil had something about it. It wasn't so much what you smelled at first, more something underlying it that made you want more, like you couldn't get enough of smelling it. As well as using it in the massage oil, I put some in the oil burner too, so the scent filled the room.

I'm not saying that one sniff had us going like the clappers – it was slower and more subtle. I'm a bloody good masseuse – my fingers stroked all the knots out of Rhiannon's muscles. Then I told her to turn over.

I should also tell you that, once before, we'd ended up in bed together. It hadn't been that serious, just a drunken fumble, but I think it sparked something. Next thing, I saw a look that said she was thinking about that night too.

## Hot juices flowed into each other's oiled-up snatches

I bent over her and we kissed as my fingers carried on stroking. As her tongue explored my mouth again, she got up off the massage couch, letting the towels that covered her naked body fall to the floor.

Then she asked did I have any more of the oil. I handed her the bottle as I got out of my clothes, watching as she massaged a handful over the front of her body. Then she dripped more of it on my bare boobs and used her hands to spread it over them. As we kissed again, we rubbed our breasts together, hard nipples catching against each other.

Now we laid down on the towels on the floor, using more oil so our bodies slipped and slithered against each other. Just the scent, the feel of Rhiannon's warm body was sexy enough, then she slipped a leg in between mine, sawing it against my pussy.

Soon, when I was halfway to cumming I shifted around, grabbing one of Rhiannon's legs, locking my arms around it then sliding my body so our cunts were pressed together. Then all we had to do was rub

up together, sliding our fingers down between us until we were cumming, juices flowing into each other's oiled-up snatches.

I think she was first to cum, but it wasn't a competition! We just kept going until we were both satisfied, skin soft from the oil and our pussies

tender and flooded.

We decided to shower together in the private cubicle in the treatment room, and Rhiannon felt and smelled so gorgeous as we towelled off, that I ended up sitting her on the massage table and going down on her again.

She wondered would her boyfriend be able to tell that her cunt had already had a seeing-to – not that she wouldn't enjoy his stiff prick ploughing in and out of it. I also gave her a little bottle of the oil to lube her palms and tits, so she could give him the wank of his life!

## Lilo lesbo

**M**y bisexual girlfriend Josie is the best fuck I've had, male or female. She's adventurous, and kinky and she brings out that side of me too.

Recently we went on holiday and as we swam in the hotel pool, we both got much the same idea at the same time. Josie reckoned we could try a stand-up fuck with the water taking my weight.

Waiting was the worst part – even after the pool lights

body and I asked her what we should do if we got caught. We could probably wing a bit of skinny dipping, but how she'd explain a big rubber cock sticking out of her crotch I wasn't sure!

This spurred us on a bit – we moved up to the shallow end till Josie was in neck-deep. She kissed me and felt up my very floaty tits, then gave my cunt a bit of a tickle too. I was quite juicy down there, but she'd lubed the dildo with KY jelly in case.

Arms round her neck, I

harder onto her, then we just fucked in the water. It was even better when she backed me up to the side of the pool, bracing me back against it so she could do me harder.

Moving position so that my tits now floated on the surface, she bowed her head to suck on them. All the while she was shagging me with the strap-on, the grease on it a bit sticky as well as slippery,

which just made it feel even better. I had her by the shoulders, fucking back onto it just as hard.

As she pulled out, I felt a cool, refreshing rush of water into my hot snatch. We had another bit of a swim, then nipped back to our room after thinking we heard someone walking by, a bit too close for comfort!

We jumped in the deep end, treading water – I just loved the cool swish of it against my pussy. We kissed, Josie's dildo brushing against my

She grabbed my arse, groping it and pulling me even

**How to start your own window cleaning business, with Shrewsbury's Tegan. Pay no attention to actually removing dirt and squashed midges from glass, just squash your boobs up against window while winking suggestively at customer. Use tits, bum, soles of feet, any body part instead of squeegee. Get more foam over your arse cheeks than on the windows. End up screwing squeegee pole. A big tip and one very happy customer, who'll end up doing the windows himself before the wife gets back from the shops.**

**SHEILA, WEST YORKS.**  
50 years old. Letters, p. 83. "I got fucked by my husband and his big-dicked work colleague in all of my holes!"

**Sheila's sex letter in 30.13 got her an invite to a swing party!**

**DEAR ESCORT,**

A few weeks ago, my hubby James and I were invited to a private swingers' fancy dress party by one of the contacts we made through *Escort* magazine. We are liberal-minded, and the invitation appealed to us as we had never been to one before and was curious to see what it was all about.

I'd bought a crotchless all-in-one catsuit and mask especially for the occasion while James decided to go dressed as a pilot.

We were both apprehensive but were soon put at ease by Bill and his wife Sally who gave us a big, warm welcome.

After discarding our coats and being offered a drink, we were escorted in to the living room and introduced to the other guests. Bill told us that many of them were regular participants and said we should relax and enjoy ourselves.

There was plenty of drink and food laid out and one table was filled with just about every kind of sex toy you could think of.

As we mingled with the other guests we were told

to give me some action with his sword, and not the one that was in his belt around his waist! James meanwhile, was getting his joystick sucked off by the centurion's wife dressed as a policewoman as I wanted him in to her mouth.

Another couple came to join us and within seconds James was being expertly blown by two pairs of lips while I was being given a good fucking by the centurion's sword and had a soldier's weapon down the back of my throat.

I knew I wouldn't be able to hold back and within a couple of minutes I was cumming, the first of many orgasms that night.

My two playmates were not going to get off with it that

# FANCY MESS

that we were privileged as it wasn't often invitations went out to other people but apparently having my photos in *Escort* magazine had caused quite a buzz among the group! Other couples began to arrive and it wasn't long before there were about thirty guests all in various fancy dress costumes.

I could see that James was raring to go and my pussy was getting wet just thinking about the night ahead. Sitting down on the sofa we watched as people paired up or grouped together and the action commenced.

I was really horny and immediately went to work on James' already rock-hard cock with my red lips while he vigorously flicked his tongue up my shaven pussy and across my two clit rings.

One couple came over to join us and it wasn't long before a Roman centurion was knelt in front of me, tonguing out my bald pussy.

I hoped that he was going

easily though. Kneeling down on all fours, I took one doggy-style, his balls slapping against my two clit rings while the other held the back of my head and pushed his cock down the back of my throat,

he moved in and out.

With Bill ramming his weapon up me it wasn't long before I was cumming again. I could feel Sally climax too as my tongue darted in and out of her wet hole.

**CONTACT ME**

**PARTY!**

giving me a good face fuck. It wasn't long before they filled me up from both ends.

James was giving a treatment with his tongue to one of the women dressed as a nurse (which I'm sure you can't get on the NHS!) while the policewoman worked on his truncheon.

He looked like he was in seventh heaven. It wasn't long before he was shooting his jizz into her face and mouth.

Bill and Sally came over to see if we were okay. I told Sally she looked stunning in a black leather studded costume. Taking her hand and laying her down on the sofa, I started to lick her part-shaven pussy. I felt Bill's big hard cock brushing up against my pussy lips so opened my legs for him as he gently slid inside me.

I could feel his cock ring on his foreskin brushing against my pussy walls as

Bill told us both to kneel down in front of him while he wanked himself off, spraying hot cum in to our eager faces.

I looked over at James who had a daisy chain going. He was fucking the nurse doggy-style while she was sucking off the centurion, whose face was being sat on by the policewoman while she in turn was sucking off the soldier.

It looked like fun and I was eager to join in, but hey, six might have been a crowd and there were plenty of other cocks and pussies I was eager to try! By the end of the evening, the grunting and groaning of sweaty bodies filled the room with the aroma of pure sex.

I never did get to try out everything but the highlight for me was watching half a dozen of the guys standing around me and cumming all over my body and tits!

Sheila, W. Yorks

# REAL WIFE SEX

*Sam's story continued from page 19*

She was cool about it and smiled like she expected it, so I hauled myself up, straddled her and slapped my juice-dripping prick in between them. As the friction started to build, the slickness got a little bit sticky.

It looked so fucking horny, too. Sometimes she was holding them

**She kneaded me  
between her  
boobs till I came**

so my fat red helmet slipped free of her cleavage, then she shoved them together around it, burying it in her flesh.

As she kneaded me between her boobs I hit the edge – I didn't see the first blast of cum, but she let them spring apart again so I could spray her where I wanted, coat her globes and ice

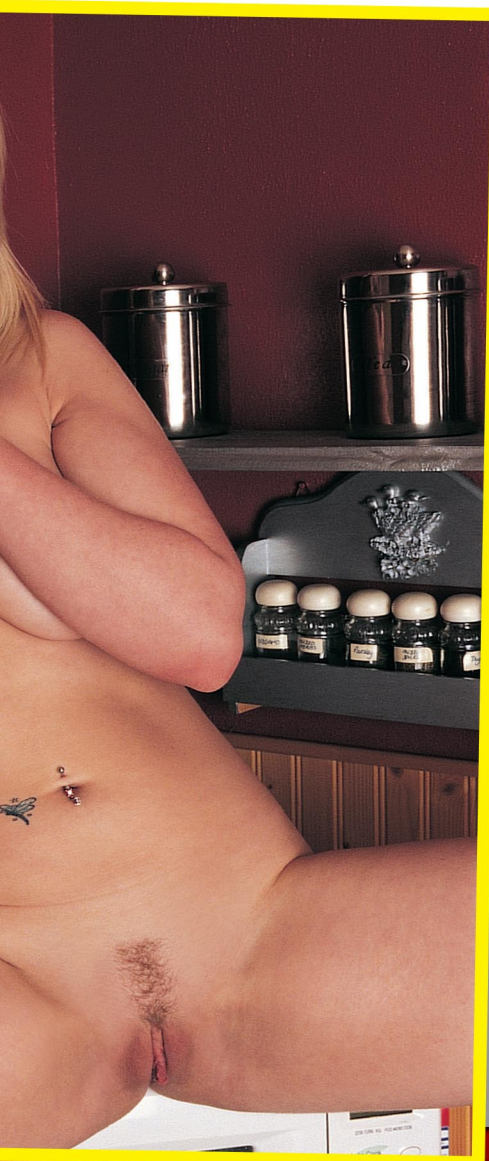

her nipples with sticky strings.

I watched in a state of boob delirium as Katie tilted herself back and let my cum dribble in little rivulets along the gorgeous curvature of her tits up to her collar bone, where she scooped out globs of my spunk and ate them. I could feel life returning to my todger as she gobbled up my protein shake.

She had me all weekend and we fucked every which way, mostly positions where I could suck or grope Katie's boobs – I loved it when she rode me, letting them bounce over my face then half-smothering me with them. Even when I did her from behind, I'd cup them, or have her in front of a mirror so I could see them being manhandled.

By the end of it, I felt for the first time like I'd finally had my fill of tits – total satisfaction. That's doesn't mean Katie's cured my obsession, though, I actually think she's fuelled it more.

Birds turn to jelly in the passenger seat of a fast car. Why else do rich blokes spend fortunes on these penis extensions? "I'm a real speed demon, you know," says fast girl Chloe. "I fancy that Lewis Hamilton – as long as he's not as quick in bed as he is round Silverstone. I fantasise about him making a pit stop between my legs and fucking me hard with his helmet still on and with all the pit crew watching and cheering!"

## Older and bolder

**T**he first time I had two cocks was at a friend's daughter's wedding. I was "adopted" by two guests, Matt and Alan, who obviously liked the older lady.

I was flirting with them like mad, and they were lapping it up. They bought me drinks all night and as we were staying at the same hotel, we shared a cab – and ended up raiding the minibar in my room.

Matt was totally smitten by me. When Alan went to the loo, Matt just grabbed me for a snog. I gave as good as I got, wondering what Alan would think, when suddenly I felt a hand stroking my back. It wasn't Matt's 'cos both of his were welded to my arse!

**Jackie, Notts**

## I wanked him with my big knockers

Matt didn't seem surprised or bothered, and it struck me that maybe they'd planned this! Matt pulled me down onto the bed and Alan nuzzled up behind me.

I decided to lie back and let them have their dirty way with me! We all stripped off and Matt sucked my tits.

Alan was teasing my pussy,

fingering my folds and creases but not rubbing hard enough to get me cumming. I don't think I've ever felt as relieved as when he went down on me.

Now Matt was straddling my chest, sticking his rearing prick in between my tits. Now I wanked him with my knockers, moaning as he deftly teased my stiff little nipples.

## Fuck it's Friday

**T**his is my mate Helene, who I met at work. After a few drinks in a local pub one Friday we got a cab back to hers.

Back home, she put on loud soul music and I went down on her puffed-up clit.

She was so juiced I got four fingers up her, my palm flattened against her bud to rub it while I frigged her. Meanwhile she carried on sucking me, in deep or with her tongue lashing against my knob-end.

She reached down, gave my cock a few more tugs then

put it up her cunt. It felt even more lusciously juicy than when I'd fingered her. I tried to pace myself, fucking her to the slowish beat even though she seemed to want me to go in harder than that.

She was bucking and wriggling her arse, fucking me as much as I was doing her, nails scratching away at my shoulders. So I pushed with my crotch, as deep between her legs as I could go, so I could keep it at a slow grind.

That did it for her and she started cumming, squeezing at first then pulsating around my shaft.

I put everything I had into

**Helene, Brighton**

## She pulsated around my grinding shaft

that shag – all my strength, all my control. She cupped my face, saying she liked to see how a bloke looks when he cums, but I wasn't going to show her just yet.

OK, maybe I got a few more strokes out of it but when the throbbing and twitching of my prick got too much to handle, I just rammed in, groaning

as she clamped her thighs tight around mine, holding me deep inside her.

She didn't leave me long to recover till she was after my cock again, teasing the tip of it with her lips as she wanked the shaft, scratching at it gently with her nails.

Then her other hand went down to my balls and she

£90

Alan was still licking me, slowly, then suddenly he pulled my legs up and back – in fact, Matt was able to grab them and pin them under his arms, holding me in position.

Every lick and rub on my clit seemed more powerful now. Then Alan, thumbing my clit, slipped inside my hole. He pushed in with his full weight and Matt was banging my tits hard now, my cleavage a wet channel of pre-cum and his swollen helmet popping out of the top of it.

Now Alan's fingers were circling on my clit. I let out

a cry, and Matt let me take his dick inside my mouth. I sucked on it hard and he pulled back out, slapping his spurting stiffy against my tits. Alan finished me off. I came hard and seconds later felt Alan's wet length slap on my belly as he popped his wad too. I just lay there playing with their spunk, eating it off my fingers.

When I checked out later, they'd paid my bar bill and left me a bottle of champagne. I drank it in bed, playing with my sex toys!

*Jackie, Nottingham.*

gave me the best blowjob I'd had in so fucking long. It started off just with her wanking my head against her tongue, then gradually she sucked me in deeper, sealing her wet lips around my shaft.

When she felt I was on the edge of cumming she let me slip out, then said she'd never allowed her ex

to spunk in her face. And wouldn't it be awful if she let me do it?

The only thing stopping me was her thumb over my love eye, and when she took it off and wanked me fast, I just let rip, icing her face with jizz. She looked so fucking pleased with herself, like mission accomplished!

*Paul, Brighton.*

## Tap that arse

My neighbour's a young lad of about 20 who's always fancied me. But I had to wait until his parents went away for the weekend to have my fun.

On the pretence of needing some help fixing a leaky tap, I asked him round, gave him a beer and threw myself at him on my leather couch.

He was surprised but up for it, rapidly pulling off my clothes. My tits were squashed up against the leather and I liked the sexy smell of it too, then he entered me, sliding between my arse cheeks and into my pussy, his hands groping my tits.

The only problem was that I couldn't play with my clit, so he got in behind me, raising my bum up slightly.

But he got a bit distracted, dabbing pussy juices on my

– he just kept up the same, steady rhythm, then I felt a wet explosion in my arse as his spunk spurted out.

I groaned and came hard,

## I groaned and came hard, both of my holes spasming

arsehole and having a little play with that. When he started pushing a finger in, I told him it was okay, but if I said no or stop, he'd have to immediately.

He patted my arse to show he agreed, then slowly started pushing his cock inside it.

He'd felt pretty big inside my pussy, and now it seemed so huge I wondered how the hell I was able to take it. But he just carried on, fucking me slowly and playing with my clit, until I came seriously hard.

I thought he'd start thrusting faster now – he sank in deep but just ground around, kneading my cheeks on either side of his shaft.

I didn't have a clue that he was near to cumming

both of my holes spasming.

You know, I never did get that blooming tap fixed!
